21 DAYS OF PRAYER & FASTING | REVIVAL NIGHTS

Fasting Guide

Over the course of these 21 Days of Prayer, many will find it important to fast during this intentional period of time. Below is a short guide for those considering fasting:

What is Fasting?

The goal of fasting is to draw near to God. Biblical fasting always has to do with eliminating distractions for a spiritual purpose. Fasting is a way to express our desire for God and our holy discontent in a fallen world. Remember, your personal fast should present a level of challenge, but it is very important to know your body, your options, and most importantly, to seek God in prayer and follow what the Holy Spirit leads you to do.

Types of Fasts

Complete Fast

In this type of fast, you drink only liquids, typically water with light juices as an option.

Selective Fast

This type of fast involves removing certain elements from your diet. One example of a selective fast is the Daniel Fast, during which you remove meat, sweets, and bread from your diet and consume water and juice for fluids and fruits and vegetables for food.

Partial Fast

This fast is sometimes called the "Jewish Fast" and involves abstaining from eating any type of food in the morning and afternoon. This can either correlate to specific times of the day, such as 6:00 a.m. to 3:00 p.m., or from sunup to sundown.

Non-Food Fast

This fast is a great option if you do not have much experience fasting from food, have health issues that prevent you from fasting from food, or if you wish to refocus certain areas of your life that are out of balance. For example, you might choose to stop using social media or watching television for the duration of the fast and then carefully bring that element back into your life in healthy doses at the conclusion of the fast.
