## **SUMMARIZE**

In your own words, summarize Matthew 5:21-26.

## **OBSERVE**

What stood out to you and why?

## **REFLECT**

What does this mean and how can you apply this to your life?

## **DISCUSS**

- Why do you think Jesus compares anger to murder?
- What is the difference between righteous anger and unrighteous anger? Are there unhealthy ways to express righteous anger?
- Why is Jesus' command to reconcile so urgent? What does that tell us about His heart for reconciliation?
- What is it that enables us as believers to forgive those who've wronged us?
- Who are you angry with or who's angry with you? Spend some time in confession and prayer over what God has brought to your mind.
