- **Send** (Send them out into "their" world - their community, workplace, school, church, non-profit etc.)

Attendance and Participation:

This class will consist of men and women from all ages and seasons of life as well as individuals from within our community and neighboring churches. To receive the most of your time in each class, 100% attendance and participation is strongly encouraged. The old adage, "You get out of it what you put into" is holds true for each class.
